1:53:02 PM	usually if your run your bookie you must to have next providers - software - odds - live odds - statistic feed - analytic feed we are software provider not data provider so if you wanna have better data you have to purchase it from data provider	
9:31:32 PM		ok so lets leve it for future when it stars earning, so betradar is one of data providers?
9:31:32 PM		are you integrated with them>
9:31:38 PM		?
9:31:53 PM		so with betradar I can have statistics and more betting options ?
9:31:58 PM	no .. we steal data bro <ss type="laugh">:D</ss>	
9:32:57 PM	yes .. with them you will get everything in future .. but our solution is the best for betting start uppers , cause you safe HUGE amount of money	
9:32:20 PM		good, me like it<ss type="laugh">:D</ss>
9:32:36 PM		what if the one who is being robbed will find out?
9:33:04 PM		and change sth? won't the whole site crash then<ss type="wink">;)</ss>?
9:33:32 PM	we steal it for 2 years already .. and steal by farm of bots	
9:33:42 PM	it is our own solution	
9:34:01 PM	it is private info) only u and me know about that	
9:34:07 PM		of course
9:34:14 PM	we have no delay even in stealing live !	
9:34:19 PM		hehe
9:34:33 PM		we must sit down and talk more about possibi
9:34:36 PM		possible stuff in future
9:34:39 PM		you will be in amsterdm?
9:34:56 PM	some times actually we are faster than bookies where from we take it .. actual delay is 0,5 sec
